Title: Effective Nuclear Programming in Mammals

Examiner: Deborah Crouch

Art Unit: 1632

AMENDMENT AND RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents  
Washington, DC 20231

Sir:

Applicants thank the Examiner for the courtesies extended during their telephone conference of July 24, 2002. Applicants especially thank the Examiner for allowing them to submit a new claim set for prosecution rather than electing a claim set for prosecution.

Accordingly, in response to the Restriction Requirement mailed in the above application on June 5, 2002, please enter the following claim amendments before commencing examination of the above-referenced case. Attached is a petition for one month extension of time and a check in the amount of \$55.00 in payment of the associated fee.

CLAIM AMENDMENTS

Please cancel pending claims 1-196 and add new claims 197-230, as indicated in the attached REPLACEMENT CLAIM SET and VERSION OF CLAIMS TO SHOW CHANGES MADE.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, Washington, D.C. 20231, on July 26, 2002.
